## COVID-19: Invitation to Vaccination

Dear Mr / Mrs,

We are hereby sending you an invitation to get vaccinated against COVID-19. By getting vaccinated, you are protecting yourself and your fellow citizens against COVID-19 in the best possible way.

**Your personalised access code: XXXXXX - XXXXX**

With this personalised code you can make your appointment up to the **dd.mm.2021**. After this date, the code will no longer be valid. **Please book your vaccination appointment via the website [www.covidvaccination.lu](http://www.covidvaccination.lu) using the code provided in the invitation.** You may also call the Helpline Santé. Our team will be happy to help you make your vaccination appointment.

**You can reach the Helpline Santé daily, Monday to Sunday, from 8:00 to 19:00 on +352 247-65533.** Then press **3** to reach one of our employees.

You will receive your appointment for the second dose at the vaccination centre. The vaccination is free of charge and carried out by injection in the arm.

Do not hesitate to use the transport provided by your local authority, respectively the "courses-sorties" provided by the long-term care insurance or the Adapto service if you are entitled to these services.

Best regards  
The Luxembourg Government
